CAREER GUIDANCE CELL

Career Guidance Cell Vision:To Guide the students for competitive exams and higher studies for their prospective careers.

Rane Polytechnic Technical campus,Trichy the Career Guidance Cell has been functioning since its establishment 2016. It offers career guidance and Counseling to students on all aspects of career planning and higher studies. Career Guidance Cell also provides individual counseling to all the students towards reaching their goals.

Objectives of Career Guidance Cell :

RPTC imparts outcome Based Education (OBE), which works in guiding the students' career growth path. This leads to three possible outcomes the student finally faces when the student completes his Diploma Course

1. Further Education
2. Employment and
3. Entrepreneurship.

The CG cell Guides the students by providing relevant academic, employment, career information to enable them in making and implementing informed educational and occupational choices. It also assists advices and keeps them informed about latest developments in making them the architects of their own future.

The CG Cell of the college is composed of a Co-Coordinator and Five faculty members, from each department. The CGC team manages all activities/events and gives quality advices to students. It keeps students updated about the latest employment/recruitment notifications and entrance exam announcements.
