

RANE POLYTECHNIC TECHNICAL CAMPUS

INSTITUTION'S INNOVATION COUNCIL & ENTREPRENEURSHIP CELL

“ROLE OF DISTRICT INDUSTRIES CENTRE FOR BUDDING ENTREPRENEURS”

Entrepreneurship Development Cell & Institution's Innovation Council of Rane Polytechnic Technical Campus has jointly conducted an awareness program on “ROLE OF DISTRICT INDUSTRIES CENTRE FOR BUDDING ENTREPRENEURS” for the students who belong to the cells as well as the final year students of both Mechanical and Mechatronics Engineering. The Chief Guest of the event Er. Senthilkumar B.E., M.B.A., M.Phil, General Manager/ Deputy Director (Technical), District Industries Centre (DIC), Trichy, has addressed the students about the various schemes of Central government, Selection process of project for sanction of Funds, Emerging schemes which get easy and quicker sanction of funds. He also shared the Success stories of the successful budding entrepreneurs list, and their guidance/ mentoring process for the young talents. He also requested the students to visit the DIC Centre for real time experience. Then he clarified the doubts of some of the final year' students on establishing the new enterprise. He also distributed the pamphlet to the interested team who further got the clarification for the business Idea from him. From this event, the Students have gained some basic knowledge of how to starts new business.
