## ***Message from the Principal,***

*Greetings to all...*

I am immensely pleased & happy about writing this letter to my readers on our Students Newsletter March 2017.

2017 started with full amount of courage and positive hopes on our role in profession and personal and our 225 final year students are graduating during April 2017 and further getting enrolled for higher studies and joining companies through campus placement.

I am very happy to share that our polytechnic Diploma Mechanical Engineering program has been accredited by NBA (National Board of Accreditation) for the academic years 2016-17 and 2017-18.

I am delighted and pride about the way in which my staff team and students presented themselves during NBA expert committee visit during 23<sup>rd</sup> and 24<sup>th</sup> Dec 2016

I take this opportunity to thank our external stake holders like parents, alumni, employers and other well-wishers for getting a rare opportunity of obtaining NBA (National Board of Accreditation) for Diploma courses.

We made a good beginning towards our journey of Centre of Excellence in our polytechnic and NBA is one of the stepping stone.

I pray almighty to provide good health, supportive atmosphere towards better performance of our students for board exam April 2017.

Wish you all the best!

***Yours,  
M. Saravanan***

## TEACHER'S DAY CELEBRATION

**(Mr.Arumugam Rtd., Headmaster, Government School addressing students and staff on Teacher's Day Celebration held on 06.09.16)**

Teacher's Day Celebration was held in our college on 06.10.2016. Our Chief Guest Mr.Arumugam Rtd, H.M of Govt. School, Viralimalai participated and explained the remarkable relationship between teacher and student. Our Principal Mr.M.Saravanan delivered welcome address and Mr.Raja, HOD-Civil introduced our chief guest.

As per our government order we took a pledge with our faculty members and all our students for SBA (Clean India mission) which was launched by our PM on October 2, 2016. Our principal Mr.M.Saravanan remembered the aim of Swachh Bharat Abhiyan by pledge that the people of India have to achieve Open Defecation Free India by 2019, (150<sup>th</sup> birth anniversary of Mahatma Ghandhi) by constructing 12 million toilets in rural areas.

In connection with our Former President Dr.A.P.J.Abdul Kalam's birth anniversary, we organized Youth Awakening Day Celebration on 15.10.16 in our Campus. Our Principal, staff and students participated in this celebration and presented speech about Dr.A.P.J.Abdul Kalam.

In connection with Dr.B.R.Ambedkar's 125<sup>th</sup> Birth Anniversary, we celebrated "CONSTITUTION DAY" on 25.11.2016. As per our government instruction, the Preamble to the Constitution was read out in front of our staff.

## NSS Activities

In connection with Swachh Bharath activity, Our Rane Polytechnic NSS Volunteers involved in Campus Cleaning at Fatima Nagar Hospital and around it on 17th September 2016 under the guidance of our Principal M.Saravanan and Former SPCU Co-ordinator.K.Sababathy.

Our Rane Polytechnic Technical Campus' Principal Prof.M.Saravanan, Staff and Students participated in "TRICHY MARATHON" organized by Kauveri Medical Hospital on 25.09.16, SUNDAY for the awareness on eye donation.

**(Our students and staff are donating blood voluntarily on Blood Donation camp held on 07.02.17)**

Our Rane Polytechnic organized a Blood Donation camp on February 02, 2017 with the support of Government Hospital, Trichy. It was inaugurated by the Principal and he shared his views that blood donation is a noble cause in the service of humanity. Around 100 students from our College donated blood to Government Hospital. The pride of the students was reflected on their faces while distributing certificates.

Our NSS volunteers around 50 took active participation and helped to the temple management as well as the police in nearby village Viralimalai Malaikovil temple function called as “Silver Ratham” on 8th February 2017.

## PROJECT FOR NATIONAL LEVEL COMPETITION (NITTR)

PADDY HARVESTING MACHINE was designed by our students under the guidance of our staff. The machine provides great support in rural areas, especially for farmers in which we have used relevant components to make this project as appropriate one. By making this design into final output we can obtain some peak level targets such as less maintenance, low initial cost, suitable for variable terrain and modified depth of cut. In agriculture to get desired development for our nation, expected output can achieve using this project even in simple mechanism incorporated. The Staff Members are Sathish Kumar M (Lecturer) and Thiyagarajan M (Instructor) and students are Aravinth R (IIIrd Year), Bojana Rajan E (IIIrd Year) and Palaniyappan S (IIIrd Year).
